

Paganini  
**GUITAR FESTIVAL**

Dear Participants,

Please find [here](#) the schedule for the masterclasses of the Paganini Guitar Festival – XXVI Edition. We have endeavored to accommodate everyone's needs as much as possible, consistent with the overall organization of the Festival. All Masterclasses will be held at the Festival Headquarters, **Casa della Musica, P.le San Francesco 1, Parma.**

## MASTERCLASS REGULATIONS

**(For active participants and auditors)**

Before your first masterclass, it is essential to visit the **Festival Info Point** at Casa della Musica (P.le San Francesco 1 – Parma). There, you will receive a mandatory pass to access the masterclasses, along with all useful information regarding concerts, festival activities, and hospitality.

Each student must arrive in the classroom at least **20 minutes before** their scheduled masterclass time. This is to facilitate lesson changes, which must be as quick and efficient as possible to avoid taking precious teaching minutes away from participants.

Should there be any scheduling conflicts with other festival activities you are registered for, **please notify us immediately** so we can adjust the time and ensure your participation.

For those participating in the **Young Talent Competition**, please note that the distance between Casa della Musica and the Centro di Produzione Musicale Arturo Toscanini is approximately a 15-minute walk.

At the end of the masterclasses, you will be provided with a certificate of participation. If you do not receive it directly from the teacher or our staff, please go to the Info Point.
